

**Joan Szymko** (b.1957) is a composer and conductor from the Pacific Northwest. With a catalog of over 100 published choral works, her music is performed by ensembles across North America and abroad and is frequently heard at regional, national and international choral festivals and competitions. A frequently commissioned composer, she was the recipient of the ACDA's Raymond W. Brock Memorial Commission in 2010. More recently, she was commissioned by Eugene Vocal Arts to both create the libretto and compose a large scale work which focuses on those faced with the tragedy of Alzheimer's dementia. *Shadow and Light* was premiered in April 2016 to great critical acclaim. Composing for vocal ensembles is an extension of Szymko's creativity as a choral director. She has inspired community and church choirs in Seattle and Portland for over thirty years. In addition to her own published works, her music appears in the catalogs of Santa Barbara Music Publishing, Lorenz Corporation (Roger Dean Publishing), earthsongs, Treble Clef Press, and Walton Music. She is a founding member of the Independent Music Publishers Cooperative. Visit [joanszymko.com](http://joanszymko.com) to view her entire catalog of choral music.

Szymko lives and works in Portland, Oregon. She enjoyed a fruitful collaboration with Do Jump! Movement Theater (1994-2004) as a performer, music director and resident composer. She recently served on the choral music faculty at Portland State University. As a visiting artist, she has workshopped her music, serving as guest conductor for choirs in a variety of educational settings across the US and in the Netherlands. Szymko also served as the Artistic Director of Aurora Chorus since 1993.

## PROGRAM NOTES

In Spring of 1999, Peninsula Women's Chorus artistic director Patty Hennings had a dream: that PWC could work with school children to help them write poetry which could be set to music for the chorus. PWC collaborated with California Poets in the Schools, the largest writers-in-the-schools program in the nation. Poets collaborated with

PWC members who were elementary teachers in the Bay Area, working with nearly 400 students. Joan Szymko was one of three composers commissioned by PWC to select and set poems from the project. The two young poets Szymko selected for "This Wonderful Feeling" were in the third grade when these poems were written "Saboo," "In my Quiet Place," and "Purple Night" are a showcase for advanced women's chorus.

## This Wonderful Feeling

### 1. saboo

What will we do  
saboo saboo  
walla kaboo  
Should we jump off  
the tree?  
Will you play with me?  
saboo, saboo  
walla kaboo  
and I love you  
Wallakaboo

- Anna Madrigal

### 2. In My Quiet Place

In my quiet place everything is quiet.  
Quiet as the butterfly on silent wings.  
Quiet as a leaf falling through the air.  
Quiet makes me feel like  
I am the only one on earth.  
The first to find this wonderful feeling inside me.

- Mary Whitney

### 3. Purple Night

Purple as a purple sky on a Sunday night.  
Purple as a dark purple dress.  
A purple dress on a purple night, a purple world  
and a purple bird in flight.

- Mary Whitney

Playfully

The musical score consists of four staves, each representing a vocal part: Soprano (S), Alto (A), Soprano 2 (S2), and Alto 2 (A). The key signature is one flat (B-flat). The time signature is 4/4 throughout, except for measures 5 and 6 where it changes to 3/4.

**Measure 1:** All parts are silent. The first measure ends with a repeat sign and a first ending.

**Measure 2:** The vocal parts begin with eighth-note patterns. The dynamic is *mp*. The lyrics "FOR" are overlaid in large green letters.

**Measure 3:** The vocal parts continue with eighth-note patterns. The dynamic is *p*. The lyrics "What will we do" are overlaid in green.

**Measure 4:** The vocal parts continue with eighth-note patterns. The dynamic is *mf*. The lyrics "PERUSAL" are overlaid in large green letters.

**Measure 5:** The vocal parts begin with quarter notes. The dynamic is *mf*. The lyrics "sa - boo" are overlaid in green. The time signature changes to 3/4.

**Measure 6:** The vocal parts continue with quarter notes. The dynamic is *mf*. The lyrics "sa - boo" are overlaid in green. The time signature remains 3/4.

**Measure 7:** The vocal parts continue with quarter notes. The dynamic is *mf*. The lyrics "sa - boo" are overlaid in green. The time signature remains 3/4.

**Measure 8:** The vocal parts continue with eighth-note patterns. The dynamic is *p*. The lyrics "ONLY" are overlaid in large green letters.
